SUNDAY
MONDAY
TUESDAY
WEDNESDAY
THURSDAY
FRIDAY
SATURDAY

Anti-boredom Month.
Fight boredom by exploring The Space Place.

3

4
Mars Pathfinder rover landed on Mars in 1997. What kind of weather did it encounter?
Independence Day

10

11
United Nations World Population Day. Too many people make too many Gummy Greenhouse Gases.

17

18

24

25

31

5

6

13
Galileo spacecraft dropped a probe into Jupiter's atmosphere, 1995. Are there other ways to find out about Jupiter's clouds?

20
Apollo 11 astronaut Neil Armstrong became the first human to walk on the Moon, 1969. See pictures at The Space Place gallery.

27

26
All or Nothing Day. This is how computers work. They understand only ON or OFF. So how do we get them to do so much?

7

14

21

28

1 **First zoo in the U.S.** opened in 1874 in Philadelphia, PA. How many zoos can you find on the map of Space Place partners?
NEW MOON

8
Video Games Day. Try some of the space games at The Space Place.
FIRST QUARTER

15
FULL MOON

22
LAST QUARTER

29
NASA was established in 1958. Get acquainted with some NASA scientists and engineers at Space Place Live!

2

9
Voyager 2 spacecraft flew by Jupiter in 1979 and found stranger worlds than we could have ever imagined.

16

23
Ice Cream Cone invented, 1904. What else is a cone-shape good for?

30
NEW MOON
